

CHOO JACKSON

BIO

Choo Jackson, originally from Vero Beach, FL is an up and coming multi-genre artist signed to Mac Millers REMember Music imprint. Choo showcases a unique sound and presence by clashing styles of late 90's alternative rock with modern rap and hip hop styles. Choo is known for being able to please a very wide range of audiences with his natural ability to really touch the crowd with his own style.

Recently dropping his album "Broken Hearts Make \$" which has earned over 80k plays in its first 18 hours of being released, the demand is higher than ever. Choo has been on many tours and has an impeccable record with live shows working with such artists as Mac Miller, Young Thug, Riff Raff, OF, Mod Sun, and many more! Choo is a superstar in the making and looking to hit the road and engage with his massive fan base.
