

Technical Rider

Technical Rider

Preferred is a dedicated Pioneer DJM-V10 mixer.
Xone 96 is an adequate substitute.

If mixer is not set-up before performance, please place mixer where it's easily accessible so as to not disturb artists already performing.

Please also provide three linked CDJ 3000 NEXUS2

Monitors

Please provide a pair of very good stereo monitors with its own individual volume control.

Hospitality

Beers (local craft beer or IPAs preferred) and bottled water are much appreciated

Note

Recordings are not allowed without written or verbal approval from the artist or artist's agent
